

Curriculum Vitae

Kristin A. Buss

Office Mailing Address

Department of Psychology
The Pennsylvania State University
140 Moore Building
University Park, PA 16802
814-863-1715 (voice)

Professional Positions

Department Head, Department of Psychology, January 2020-
The Pennsylvania State University

Incoming Head, Department of Psychology, July 2019-January 2019
The Pennsylvania State University

Associate Editor, *Developmental Psychology*, 2016-2020

Professor of Human Development and Family Studies (March 2018 to present)
The Pennsylvania State University

Professor of Psychology (July 2013 to present)
The Pennsylvania State University

Director of Graduate Training (July 2014 to Oct 2016)
Department of Psychology, The Pennsylvania State University

Associate Professor of Psychology (August 2006 to June 2013)
Department of Psychology, The Pennsylvania State University

Co-Director of Harrisburg Center for Healthy Child Development (2008 to 2011)
Director of Harrisburg Center for Healthy Child Development (now just PACT) (2011 to 2016)

Founding Director of Parents and Children Together (PACT) Initiative (2007 to 2019)

Assistant Professor of Psychology (August 2001 to July 2006)
Department of Psychological Sciences, University of Missouri–Columbia

Postdoctoral Research Associate in Neuroscience (May 2000 to July 2001)
Department of Psychology, University of Wisconsin
Laboratory for Affective Neuroscience
Richard J. Davidson, Advisor

Education

University of Wisconsin – Madison, Postdoc in Affective Neuroscience, 2001

University of Wisconsin – Madison, Ph.D. in Psychology (Developmental), 2000

University of Wisconsin – Madison, M.S. in Psychology (Developmental), 1995

University of Minnesota, B.S. in Child Development, 1992

Research Expertise

Emotional and temperament development in infants, toddlers, and preschoolers

Neural, endocrine, and autonomic substrates of affect and temperament

Effects of situational context on behavioral and physiological reactivity

Emotion regulation and dysregulation of affective behaviors in the development of behavioral problems and psychopathology

Sociocultural influences on early social and emotional development, community-based participatory research methodology

Professional Awards

2019 APS Fellow

2019 Exemplary Designation for Leadership in Community Engagement and Scholarship for PACT
Office of the Vice President for Outreach, Penn State

2016 Raymond Lombra Award for Distinction in the Social Sciences
College of the Liberal Arts, Penn State

2006 Distinguished Early Career Contribution Award
International Society on Infant Studies

1999 Vilas Professional Development Award for Dissertation Research
University of Wisconsin-Madison, Graduate School

Grants & Fellowships

Awarded/Active

R01 MH114974

Biobehavioral Trajectories of Social Anxiety from Early to Middle Adolescence

PI

8/15/2018-6/30/23
NIH Public Health Service, National Institute of Mental Health

R01 HD094830

Play and learning across a year (PLAY)
Co-I (Adolphs, Tamis-Lamonda, Gilmore, PIs)
7/1/18-6/30/23
NIH Public Health Service, National Institute of Child Health and Human Development

R01 MH109692

Emerging relations between attention and negative affect in the first two years of Life
Co-PI (Perez-Edgar & LoBue Co-PIs)
9/6/2016-6/30/2021
NIH Public Health Service, National Institute of Mental Health

R21 MH111980

Mobile Eye-Tracking as a Tool for Studying Socioemotional Development: Threat-related Attention in a Social Context
Co-I (Perez-Edgar PI)
9/20/16-8/31/2018 (in NCE)
NIH Public Health Service, National Institute of Mental Health

R01 HD076994

Toward a Unifying Model of Self-Regulation and Its Development
Co-I (Cole & Ram PIs)
7/1/2014-6/30/2019
NIH Public Health Service, National Institute of Child Health and Human Development

Awarded/Completed

K01 HD068170-01A1

Parent-Child Biobehavioral Coregulation and Child Maltreatment Risk
01/15/12-12/31/17
Co-Mentor
NIH Public Health Service, National Institute of Child Health and Human Development
Erika Lunkenheimer (PI), Colorado State University

R01 MH12091 (Suppl to MH094633)

Harmonizing developmental studies examining attention bias, behavioral inhibition and anxiety
Co-PI (Perez-Edgar Co-PI)
9/1/2015-6/30/2017
NIH Public Health Service, National Institute of Mental Health

1R01 HD068594-01

Caregiving, Attachment and Regulation of Emotions

March 1, 2012 – February 28, 2017

Co-I (PI of PSU subcontract)

NIH Public Health Service, National Institute of Child Health and Human Development

Susan Woodhouse (PI), Lehigh University

PSU CTSI Community Engagement Grant

Recruiting, Screening, and Engaging Families in an Anxiety Prevention Program for Young Children in a High-risk Urban Community

Co-PI Buss & Bierman

7/1/2015-6/30/2016

Clinical and Translational Science Institute

R21 MH103627

Patterns of attention to threat linked with negative reactivity in infancy

Co-I (Perez-Edgar PI)

7/1/2014-6/30/2016

NIH Public Health Service, National Institute of Mental Health

Frontiers of Innovation

Mental Health on the Go: Effects of a Gamified Attention Bias Modification App in Low Income Youth

Co-PI (Dennis, Hunter College CUNY)

1/1/2015-12/31/2015

Center on the Developing Child at Harvard University

SSRI/CYFC Level II Grant

Toddler Fearfulness, Biopsychosocial Processes and Adjustment in Early Adolescence

PI

The Pennsylvania State University Children, Youth and Families Consortium and Social Science Research Institute

SSRI/CYFC Level I Grant

Child Anxiety Intervention Development Using a Community-Based Participatory Research (CBPR) Methodology

Jan 2012-Dec 2014

PI

The Pennsylvania State University Children, Youth and Families Consortium and Social Science Research Institute

SSRI/CYFC Level II Grant

Attention as an Early Mechanism of Socioemotional Development

May 2012-April 2014

Co-I (Perez-Edgar, PI)
The Pennsylvania State University Children, Youth and Families Consortium and Social Science
Research Institute

SSRI/CYFC Infrastructure Grant

Harrisburg Infant and Child Development Laboratory

PI

July 1, 2007 to present

The Pennsylvania State University Children, Youth and Families Consortium and Social Science
Research Institute

IES Training Grant

Training Interdisciplinary Educational Scientists (TIES) Program

Faculty Mentor (2008-2014)

Institute of Educational Sciences

Thomas Farmer & Karen Bierman (Co-PIs), The Pennsylvania State University

R01 MH075750-5

Risk for Internalizing during Kindergarten for Children with Dysregulated Fear

PI

July 1, 2006 to June 30, 2011 (NCE to June 2013)

NIH Public Health Service, National Institute of Mental Health

T32 MH070327

*Child Study Center-Prevention Research Center Integrative Research Training in Early
Childhood Mental Health*

Faculty Mentor

NIH Public Health Service, National Institute of Mental Health

Pamela Cole & Mark Greenberg (Co-PIs), The Pennsylvania State University

F31 MH077385

Maternal awareness of toddlers' fearful temperament

PI Sponsor

June 1, 2006 to May 31, 2009

NIH Public Health Service, National Institute of Mental Health

National Research Service Award

Elizabeth Kiel (Awardee)

R03 HD052669

Prenatal Programming of Infant Temperament

Consultant

March 1, 2007 to February 28, 2009

NIH Public Health Service, National Institute of Child Health and Human Development

Elysia Davis (PI), Department of Psychiatry and Human Behavior University of

California, Irvine

SSRI/CYFC Level II Grant

Development of Sustainable Community Based Participatory Research on Healthy Socioemotional Development

PI

November 1, 2008 to October 31, 2009

The Pennsylvania State University Children, Youth and Families Consortium and Social Science Research Institute

Penn State SSRI/CYFC Level II Grant

Health and Positivity During the Preschool Years

Co-PI

November 1, 2008 to October 31, 2009

The Pennsylvania State University Children, Youth and Families Consortium and Social Science Research Institute

Cynthia Stifter (Co-PI) The Pennsylvania State University

RFA-AA-02-001

Long Term Consequences of Collegiate Alcohol Involvement.

Co-I

September 2002 to August 2007

NIH Public Health Service, National Institute of Alcohol Abuse and Alcoholism

Kenneth Sher (PI), University of Missouri-Columbia

Faculty Incentive Grant

Maternal Influences on Toddler Social and Emotional Development

PI

May 2006 to March 2007

University of Missouri, Arts and Sciences Alumni Organization

R03 MH67797

Effects of Context on Withdrawal Behaviors in Toddlers

PI

September 2003-August 2005

NIH Public Health Services, National Institute of Mental Health

R01 MH62601

Psychobiological studies of stress in young children.

Consultant

August 2001 to June 2006

NIH Public Health Service, National Institute of Mental Health

Megan Gunnar (PI), Institute for Child Development, University of Minnesota.

URC-05-110

Transition to kindergarten for toddlers with dysregulated fear profiles

PI

June 2005-October 2006

University of Missouri-Columbia Research Council Summer Research Fellowship/Grant

URC-03-063

Identification of Dysregulated Fear Reactions in Toddlers

PI

June 2003-December 2003

University of Missouri-Columbia Research Council Summer Research Fellowship/Grant

F32 MH63563

An fMRI study of inhibited and uninhibited children.

Awardee (PI)

January 2001 to January 2004 (terminated August 2001 for faculty position)

University of Wisconsin-Madison, Richard J. Davidson (Sponsor)

NIH Public Health Service, National Research Service Award Post-Doctoral Fellowship

F31 MH11747

The physiology of temperament in infants and children.

Awardee (PI)

September 1997 to August 2000 (terminated April 2000)

University of Wisconsin-Madison, H. Hill Goldsmith (Sponsor)

NIH Public Health Service, National Research Service Award Pre-Doctoral Fellowship

Invited Talks/ Panel Discussions

1. *Development of Social Anxiety Symptoms for Fearful Children: A Biopsychosocial Approach*. Midwestern Psychology Association Invited Speaker. Chicago, IL. April, 2017
2. *Development of Social Anxiety Symptoms for Fearful Children: A Biopsychosocial Approach*. Invited Colloquium Talk. Boston University, February 2017
3. *Using Biobehavioral Profiles to Reduce Heterogeneity, Improve Specificity and Prediction of Risk*. Society for Psychophysiological Research. Invited Symposium. October 2016
4. *Biopsychosocial Processes in the Development of Social Anxiety*. Hunter College, CUNY Colloquium, November, 2013
5. *Biopsychosocial Trajectories of Children with Dysregulated Fear*. Prevention Research Center Seminar Series, February, 2012
6. *Which Fearful Toddlers Should we Worry about? Examining the Role of Context and Biology*. National Institute of Mental Health Intramural Program, Section on Developmental and Affective Neuroscience. June, 2010

7. *Using EEG, cortisol and RSA to examine fear profiles in young children.* SRCD Panel Discussion *Physiological Measures of Emotion from a Developmental Perspective: State of the Science* (Chair Tracy A. Dennis). Presented at Society for Research in Child Development Conference, Denver, CO on April 2, 2009.
8. *The Goldsmith Temperament Model. SRCD Panel Discussion What is Temperament Now? Two Decades of Progress* (Chair Rebecca Shiner). Presented at Society for Research in Child Development Conference, Denver, CO on April 2, 2009.
9. *Dysregulated fear behavior from two to six years: Effects of context and parenting.* Invited paper presented at the Association for Research in Personality Meeting in Albuquerque, NM on February 7, 2008.
10. *Which Fearful Toddlers Should We Worry about?* Talk and Workshop presented at the Erikson Institute of Child Development, Brain Institute in Chicago, IL on October 27, 2006.
11. *Regulation of fear behavior across context: Not all fear is created equal.* Invited paper presented at 21st Annual Winter Conference of Current Issues in Developmental Psychobiology, Cabo San Lucas, Mexico on January 4, 2006
12. *Individual differences in emotional development: Behavioral and biological considerations.* Invited paper presented at the Second Annual Pediatric Therapy Network Conference: Sensory Integration, Behavior and Biology, Los Angeles, CA February, 2001

Conference/Symposia Organization

1. **Buss, K. A.,** LoBue, V., & Pérez-Edgar, K. (2018, July). *How to get the most out of infant data.* Symposium chaired at the International Congress of Infant Studies, Philadelphia, Pennsylvania.
2. **Buss, K. A.** (2015, April) *Biomarkers of Anxiety and Fear Processes Across Development* Symposium Chaired at the Anxiety and Depression Association of American Meeting, Miami, FL.
3. **Buss, K. A.** (2012, September), *Understanding Psychophysiology in Developmental Context: Implications for Development of Internalizing and Externalizing Symptoms.* Symposium chaired at the Society for Psychophysiological Research Meeting, New Orleans, LA.
4. **Buss, K. A.** (2011, March). *Moderators and mediators of fearful temperament trajectories.* Symposium chaired at the Society for Research in Child Development meeting, Montreal, Canada.
5. Brooker, R. J. & **Buss, K. A.** (2010, March). *Depicting control: Different approaches to studying effortful control in socioemotional development.* Symposium co-chaired at the International Conference on Infant Studies, Baltimore, MD.

6. Dennis, T. & **Buss, K. A.** (2008, March). *Which physiological measures should be used in emotion regulation research?* Roundtable Discussion co-chaired at the International Conference on Infant Studies, Vancouver, Canada.
7. Kiel, E. J., & **Buss, K. A.** (2007, March). *Influences on parenting behaviors and their relation to adaptive and maladaptive outcomes across early childhood.* Symposium co-chaired at Society for Research in Child Development Conference, Boston, MA.
8. **Buss, K. A.** & Dennis, T. (2006, June). *Studying Emotion Regulation from the Bottom-Up: A Focus on Questions and Methods.* “Hot Topics” Symposium chaired at the International Conference on Infant Studies, Kyoto, Japan.
9. **Buss, K. A.** & Potegal, M. (2003, April). *Cortisol associations with state-trait anger, sadness, and externalizing behaviors.* Symposium chaired at the Society for Research in Child Development Conference, Tampa, FL.
10. **Buss, K. A.** (1995, March). *Emotion regulation in infants, toddlers, and young children.* Symposium chaired at The Society for Research in Child Development meeting, Indianapolis, Indiana.

Conference Presentations

1. Anaya, B., **Buss, K.A.**, LoBue, V., & Pérez-Edgar, K. E. (July 2020). *Maternal Anxiety and Infant Negative Trajectories: The Role of Neural and Environmental Factors During Infancy.* Paper presented at the International Congress of Infant Studies (ICIS). Glasgow Scotland.
2. Reider, L.B., Burris, J.L., Olease, D., Pochinki, N., Mahaffey, E.M., Pérez-Edgar, K. E., **Buss, K.**, LoBue, V. (July 2020). *The relation between maternal internalizing symptoms and infant processing of emotional faces.* Poster to be presented at the annual meeting of the International Congress of Infant Studies, Glasgow, Scotland.
3. Burris, J.L., Reider, L., Oleas, D., Weems, A., **Buss, K.A.**, Pérez-Edgar, K. E, LoBue, V. (July 2020). *Infants longitudinal patterns of attention to threat and their relation to anxiety risk factors.* Poster to be presented at the biennial meeting of the International Congress on Infant Studies, Glasgow, Scotland.
4. Vallorani, A., Gunther, K.E., Burris, J.L., **Buss, K.A.**, LoBus, V., & Pérez-Edgar, K. E. (July 2020). *Modeling individual differences in developmental trajectories of orienting to emotional stimuli from 4- to 24- months.* Poster accepted to the biannual meeting of The International Congress of Infant Studies, Glasgow, Scotland.
5. Oleas, D.S., Reider, L.B., Burris, J.L., Pochinki, N., Pérez-Edgar, K., **Buss, K.**, & LoBue, V. (July 2020). *The relation between environmental stress and looking behavior in early infancy.* Poster presented at the annual meeting of the International Congress of Infant Studies, Glasgow Scotland.

6. Ostlund, B.D., Burris, J.L. Anaya, B., LoBue, V., **Buss, K.A.**, & Pérez-Edgar, K. E. (July 2020). *Neural noise associates with vigilance to threat in the first year of life*. Poster presented at the biennial meeting of the International Congress on Infant Studies, Glasgow Scotland.
7. MacNeill, L.A., Fu, X., **Buss, K.A.**, & Pérez-Edgar, K. (2020, March) *Do You See What I Mean?: Exploring Parent-Child Dynamics in the Context of Behavioral Inhibition with Mobile Eye-Tracking*. Paper presented at the Occasional Temperament Conference, Blacksburg, Virginia.
8. Reider, Lori B., Burris, Jessica L., Oleas, Denise S., Sarquez, Michell, Promagan, Norbert, Tucker, Dara, **Buss, Kristin A.**, Pérez-Edgar, Koraly & LoBue, Vanessa (2019, October). *The Relation Between Violence Exposure, Anxiety, and Threat Processing*. Poster presented at International Society for Developmental Psychobiology, Chicago, Illinois.
9. Oleas, Denise S., Burris, Jessica L., Reider, Lori B., Sarquez, Michell, Pérez-Edgar, Koraly, **Buss, Kristin A.** & LoBue, Vanessa (2019, October). *Assessing Behavioral and Passive Viewing Methodologies Across a Diverse Sample of Mothers of Infants*. Poster presented at International Society for Developmental Psychobiology, Chicago, Illinois.
10. Zhou, Anna, Morales, Santiago & **Buss, Kristin A.** (2019, October). *Associations Between Toddlers' Externalizing Behaviors and Trajectories Of Baseline RSA During Early Childhood*. Poster presented at International Society for Developmental Psychobiology, Chicago, Illinois.
11. Burris, Jessica L., Oleas, Denise S., Reider, Lori B., Sarquez, Michell, Weems, Ashley, **Buss, Kristin A.**, Pérez-Edgar, Koraly & LoBue, Vanessa. (2019, October). *Social Disorder Moderates the Link Between Parents' and Their Infant's Attention to Threat*. Poster presented at International Society for Developmental Psychobiology, Chicago, Illinois.
12. Cordero, Andrea L., Zhou, Anna M. & **Buss, Kristin A.** (2019, October). *Respiratory Sinus Arrhythmia (RSA) During an Executive Functioning Task: Associations with Children's Fearful Temperament and Family Environment*. Poster presented at International Society for Developmental Psychobiology, Chicago, Illinois.
13. Anaya, B., **Buss, Kristin A.**, LoBue, Vanessa, Brooker, R., & Pérez-Edgar, Koraly. (2019, September). *The Role of Delta-Beta Synchrony in Early Development of Anxiety across Infancy, Childhood, and Early Adolescence*. Poster presented at The Society for Psychophysiological Research Conference, Washington D.C.
14. Oleas, Denise S., Burris, Jessica L., Sarquez, Michell, Pérez-Edgar, Koraly, **Buss, Kristin A.** & LoBue, Vanessa. (2019, August) *The Relation Between Environmental Stress and Attention to Emotion in Parents Living Across Three Demographically Different Locations*. Poster presented at Flux: The Society for Developmental Cognitive Neuroscience, New York, New York.

15. **Buss, K. A.**, Bierman, K., Teti, L. O., Witherspoon, D., McDoniel, M., & Lobo, F. (2019, March). *Neighborhood risk predicts anxiety in Head Start preschoolers via maternal psychopathology*. Paper presented at Society for Research in Child Development, Baltimore, MD.
16. McDoniel, M., **Buss, K. A.**, Witherspoon, D., & Moore, G. (2019, March). *The effects of neighborhood risk and surgent temperament on internalizing behaviors across early childhood*. Paper presented at Society for Research in Child Development, Baltimore, MD.
17. Burris, J., Oleas, D., LoBue, V., **Buss, K. A.**, & Pérez-Edgar, K. (2019, March). *Disorder in the environment moderates the relation between infant temperament and visual attention to threatening faces*. Paper presented at Society for Research in Child Development, Baltimore, MD.
18. Gunther, K., Fu, X., MacNeill, L., Ermanni, B., Vallorani, A., **Buss, K. A.**, & Pérez-Edgar, K. (2019, March). *Characterizing Naturalistic Sustained Attention in Behaviorally Inhibited Children: Risk Factors for Internalizing Symptoms*. Paper presented at Society for Research in Child Development, Baltimore, MD.
19. Vallorani, A., Brown, K., Fu, X., Gunther, K., MacNeill, L., Ermanni, B., **Buss, K. A.**, & Pérez-Edgar, K. (2019, March). *Processing Social and Non-Social Rewards in the Peer Context: The Role of Temperament*. Paper presented at Society for Research in Child Development, Baltimore, MD.
20. Shewark, E., Brick, T., & **Buss, K. A.** (2019, March). *Capturing Temporal Dynamics of Fear Behaviors on a Second by Second Basis*. Paper presented at Society for Research in Child Development, Baltimore, MD.
21. Fu, X., MacNeill, L., **Buss, K. A.** & Pérez-Edgar, K. (2019, March). *Affect-biased Attention is Linked to Individual Differences in Social Withdrawal: A Multimodal Eye-tracking Investigation*. Paper presented at Society for Research in Child Development, Baltimore, MD.
22. MacNeill, L., Fu, X., **Buss, K. A.** & Pérez-Edgar, K. (2019, March). *Using Mobile Eye-Tracking Methodology to Capture Parent-Child Dynamics in the Context of Anxiety Risk*. Paper presented at Society for Research in Child Development, Baltimore, MD.
23. Pérez-Edgar, K. Vallorani, V., Anaya, B., Morales, S. **Buss, K. A.**, & LoBue, V. (2019, March). *Using Person-Centered Approaches to Examine Individual Differences in Attention and Socioemotional Development*. Paper presented at Society for Research in Child Development, Baltimore, MD.
24. Bai, L., & **Buss, K. A.** (2019, March). *Respiratory sinus arrhythmia and cortisol reactivity in toddlers predict observed fear and maternal-reported behavior problems*. Poster presented at Society for Research in Child Development, Baltimore, MD.

25. Zhou, A., & **Buss, K. A.** (2019, March). *Developmental Trajectories of Internalizing Symptoms during Early Childhood: The Role of Maternal*. Poster presented at Society for Research in Child Development, Baltimore, MD.
26. Burris, J., Oleas, D., Rodriguez, K., **Buss, K. A.**, Pérez-Edgar, K., LoBue, V. (2019, March). *An eye Tracking Investigation of the Relation Between Parent and Infant Attentional Biases to Threat*. Poster presented at Society for Research in Child Development, Baltimore, MD.
27. Fareedi, E., Burris, J., Oleas, D., Perez-Edgar, K., **Buss, K. A.**, & LoBue, V. (2019, March). *The Impact of Prolonged Parental Anxiety on Infant Latency to Emotion*. Poster presented at Society for Research in Child Development, Baltimore, MD.
28. Fu, X., Morales, S., LoBue, V., **Buss, K. A.**, & Pérez-Edgar, K. (2019, March). Age and Temperament Moderate Attentional Vigilance to Faces in Infants: Evidence from an Eye-tracking Study. Poster presented at Society for Research in Child Development, Baltimore, MD.
29. Gunther K., Fu, X., MacNeill, L., Ermanni, B., **Buss, K. A.**, & Pérez-Edgar, K. (2019, March). *Low Naturalistic Attention Shifting as a Risk Factor for Internalizing Symptoms in Behaviorally Inhibited Children*. Poster presented at Society for Research in Child Development, Baltimore, MD.
30. Lobo, F., McDoniel, M., Bierman, K., Witherspoon, D., Teti, L., & **Buss, K. A.** (2019, March). *Developing the BRAVE Intervention to Target Child Anxiety*. Poster presented at Society for Research in Child Development, Baltimore, MD.

International Congress on Infant Studies
American Psychological Association
 Division 7: Developmental Psychology
American Psychological Society
Society for Psychophysiological Research

Professional Activities

Associate Editor *Developmental Psychology* (2016 to present)
Consulting Editor *Child Development* (2006-2008)
Editorial Boards for *Infancy* (2008-2013), *Journal of Clinical Child and Adolescent Psychology* (2012-present), *International Journal of Behavioral Development* (2014-present, *Frontiers of Developmental Psychology* (2015-present)

Ad Hoc Reviewer for *Developmental Psychology*
 Development and Psychopathology
 Developmental Psychobiology
 Developmental Cognitive Neuroscience
 Developmental Science
 Journal of Child Clinical Psychology
 Journal of Child Psychology and Psychiatry
 Journal of Abnormal Child Psychology
 Social Development
 Abnormal Psychology
 American Journal of Psychiatry
 Emotion
 Psychological Science
 International Journal of Behavioral Development
 Journal of Cognition and Development
 Journal of Personality
 Motivation and Emotion
 Psychoneuroendocrinology
 Brain, Behavior, and Immunity
 Behavior Genetics
 Infant, Behavior, and Development
 Infant and Child Development

Consultant for ECHO Measurement Core, Early Child Anxiety Symptoms, 2018.

Standing Panel Member NIH CSR PDRP, October 2017 to present

Ad Hoc Reviewer for NIH CSR MESH, October 2014

Ad Hoc Reviewer for NIH CSR PDRP, May 2012, Oct 2016, June 2017

Ad Hoc Reviewer for NIH CSR RPHB Special Emphasis Panel, May 2012

Consultation for Early Head Start University Partnership Grants: Buffering Children from Toxic Stress, Office of Planning, Research and Evaluation, Administration for Children and Families, U.S. Department of Health and Human Services, March 2012

Co-Chair, Emotion Preconference at the 2009 and 2011 Meetings of the Society for Research in Child Development

Conference Submission Reviewing for 2012 International Conference on Infant Studies

Panel Chair, Emotional Development Review Panel, for 2010 International Conference on Infant Studies

Conference Submission Reviewing for 2009 Meeting of the Society for Research in Child Development

Ad Hoc Reviewer for NIH CSR Member Conflicts Panel for BBBP-D05, March 2010

Ad Hoc Reviewer for NIH CSR Member Conflicts in CPDD Special Emphasis Panel, Feb 2008

NIH Toolbox Emotion Assessment Pediatric Consultant, NIH Neuroscience Blueprint project *The Toolbox of the Assessment of Neurological and Behavioral Function*
Richard Gershon (PI)
July 2007 – June 2012

Conference Submission Reviewing for 2008 International Conference on Infant Studies

Ad Hoc Reviewer for NIH CSR CDPP Study Section, Feb 2007

Conference Submission Reviewing for 2007 Meeting of the Society for Research in Child Development

Ad Hoc Reviewer for NIH CSR MESH Study Section, June 2005 and Feb 2006

Conference Submission Reviewing for 2005 Meeting of the Society for Research in Child Development

Ad Hoc Reviewer for NIH CSR SSSC-29 Study Section, March 2003

Conference Submission Reviewing for 2001 Meeting of the Society for Research in Child Development

June 1996 to 1999. APA Scientific Student Council, Member-at-Large.

Teaching and Research Advising

1. Undergraduate

The Pennsylvania State University: Social and Personality Development, Emotion Development Senior Seminar, Honors Developmental Psychology, Honors Research Projects (9), Summer Research Opportunity Program (1), McNair Scholars Program (3)

University of Missouri: Theories of Personality, Child Psychology, Honors and Independent Research Projects (8 total from 2002-2007)

University of Wisconsin: Instructor for Psychology of Personality

2. Graduate

The Pennsylvania State University

Fundamentals of Social Development

Developmental Psychology Proseminar

Graduate student mentoring

Charles Beekman, PhD, Research Analyst Kennedy Center

Meghan Scrimgeour, PhD, Research Associate, 3C Institute

Rebecca Brooker, PhD Associate Professor, Texas A&M University

Jessica Dollar, PhD Research Professor, University of North Carolina-Greensboro

Rachel Hutt, PhD Private Clinical Practice

Sunghye Jen Cho, Postdoc NYU

Santiago Morales, Postdoc University of Maryland

Lauren Philbrook, PhD Assistant Professor, Colgate University

Elizabeth Shewark, Postdoc, Michigan State University

Xiaoxue Fu, Postdoc, University of South Carolina

Meghan McDoniel, MS, ABD

Alicia Vallorani MS

Berenice Anaya MS

Anna Zhou MS

Austen Trainer

University of Missouri:

Temperament and Personality Development

Studies in Developmental Psychology

Graduate Student Mentoring

Natalie Williams, PhD Assistant Professor, University of Nebraska

Elizabeth Kiel, PhD Associate Professor Miami University

Martha Early, PhD clinician in private practice

3. Postdoctoral

The Pennsylvania State University

Alicia Hughes, PhD Adjunct Professor and Staff Psychologist, Temple
University Medical Center

Elizabeth L. Davis, PhD Associate Professor, University of California-
Riverside

Jin Qu, PhD Assistant Professor, Clarion University

Margaret Whedon, PhD
